GALACTIC GATEWAY

A Galactic Gateway is an access point to a greater or higher reality. Every day - a revolution of the Earth around the Sun - is a Galactic Gateway. So by working it out for your date of birth you can determine your personal access to a higher reality - or what is called your Essence Self. Or you can work out the Galactic Gateway for any particular day in order to see what is the divine intent or spirit of that day. Galactic Gateway is the invention, inspired by the Mayan Sacred Calendar, of Jose and + Lloydine Arguelles, in the form of game-book-kit called DREAMSPELL.* The Mayan Calendar is comprised of 20 Symbols or Tribes and 13 Numbers or Tones, which gives 260 (20 x 13) possible combinations. Your Galactic Gateway is therefore one of these combinations of Symbol/Tribe and Number/Tone. By being aware of the Galactic Gateway you become more attuned to or aligned with the essential meaning and quality of the TIME you are living in/through, that is, your life itself.

Likening you and life to a cinema, your Essence Self is the Light which makes the whole picture show possible in the first place. It is distinct - but not disconnected - from the film of your passing feelings, thoughts and sensations; from the lens of your focus of control; from the projected image upon the screen which others see, react to and judge. It is in being the Light of your Essence Self that all things, including the Shadow which is created by the Light, find their right time, place and measure.

From a graphic, and also Theosophical, viewpoint, it would look like this:

THE GALACTIC GATEWAY- The Mayan Gift as facilitator for connecting Higher and Lower Planes

The Mayan word for a human being is *WINCLIL*, which means a vibrating root or vessel. We are biological tuning forks, receiving from and transmitting to the Earth and Sky - connecting, mediating - not just bags of skin containing egos!

“A MAYAN OF INFORMATION”

is a book that will enable you to interpret your Galactic Gateway more thoroughly, and to calculate anyone else's. It also includes how to play MESA - where you and others may embody your Essence Self - and many other Mayan/Dreamspell matters.

MORE FROM THE MAYANS - TRAVELLERS AND MASTERS OF TIME...

As hieroglyphics carved in stone (not as books in writing which can be burnt or misinterpreted) the Mayans left us information for reconnecting with our Original Being when we simultaneously needed to and were able to decipher the "night writing" as it is called - "only hiding his face is the reader of it".

Your Original Being, or **ESSENCE SELF**, is the being who originated you as a threefold personality:

ESSENCE SELF >>>>>> PERSONALITY = PHYSICAL, EMOTIONAL & MENTAL BODIES

The Mayan system is expressly designed to help you **REMEMBER** your **ESSENCE SELF**-what it is, what it can do, what it came to do on Earth as your Personality.

This is **EMPOWERING - ENLIGHTENING - LIBERATING**. All you need do is **REMEMBER**.

Here is some more information, extracted or derived from the Mayan Oracle by Ariel Spilsbury & Michael Bryner (Bear & Co), that applies to your Galactic Gateway - your memory-access point to your **ESSENCE SELF**- and **BEYOND!!!**

SERPENT is your Tribe or Sacred Symbol, called in Mayan **Chicchan** { cheek chan }

QUALITIES: **Vitality, Passion, Sensing, Bodywisdom, Motivation, Desire, Instinct, Creativity, Kundalini, Integration, Purification, Intimacy**

SHADOW (the initially unexpressed, unacknowledged and rejected parts of you that stand between your Personality and Essence Self):

Making predictable choices based on familiarity and security rather than intuitive wisdom; over-identification with body and its sensuality.

SHADOW TRANSFORMATION:

Use body as tool for transformation. Learn how to use passion + senses as means of access and alignment to higher consciousness. Follow your gut-level intuitions and instincts to make choices in the moment.

SHADOW DECLARATION:

"When enmeshed in automatic and restrictive patterns of desire, lifestyle and opinion - I remember that my body-mind is nothing in itself, but as a terminal-conductor it intimately plugs myself and others into cosmic wholeness and vitality".

MEDITATION: "I am the flint and tinder of the sacred fire".

MUDRA: This is **VERY** aligning! - Do it with all your heart body, mind and soul:

Hands coming together at abdomen and interweaving in snakelike movements at the chakras, ending with hands together above head.

OVERTONE (five) is your Tone

QUALITIES: **Centre:** core purpose, central intent, foundation, place of centredness, simplicity, acceptance of humanness.

SHADOW DECLARATION:

"When failing to accept my humanness and therefore feeling insufficient - I realise that I am the centre of all that I survey and that strength lies simply at the core of all things, be they great or small."

Attempt to blend these, your Tribe and Tone - or simply study and meditate upon them and let your **ESSENCE SELF do the rest!**

GATEWAY COMMAND INTERPRETATION for *RED OVERTONE SERPENT*

The below is only a recommended interpretation of your Galactic Command. It is not intended to replace or supersede any intuitive or personal interpretation that you have made or will make of it yourself. Words of your original Command are given in CAPITALS at the start of each line, and words in {brackets } refer to your Tribe or Tone. Any words which are in lower case belong or may belong to this interpretation. Remember the nature of Essence Self. Likening you and life to a cinema, your Essence Self is the Light which makes the whole picture show possible in the first place. It is distinct from the film of your passing feelings, thoughts and sensations; from the lens of your focus of control; from the projected image upon the screen which others see, react to and judge. It is in being the Light of your Essence Self that all things find their right time, place and measure.

THE STORE { TIME CELL TWO } - the place/time of safe-keeping, supply and memory

RADIANCE - shining forth in all directions as is only the natural expression of divine estate.

I AM GUIDED - My Essence Self is directed towards assisting the restoration of the Divine Plan for Planet Earth

BY THE POWER OF - by the all-knowing, all-feeling and all-perceiving energy of **SPACE** { SKYWALKER } - the freedom to explore whatever frontiers toward which intuition beckons (which often manifests through the agency of a member or members of Skywalker tribe).

HOW TO READ DESTINY PATTERN

The Destiny Pattern (see yours on page 3) is a fourfold force-field that charges and stabilises the Galactic Gateway - be it for an individual or any given day. Galactic Gateway is an access point to a Greater Reality and also its access point to you. As such it is an opening, and this opening has four sides which are simply top or Guiding Power; bottom or Occult Kin; right or Analog Kin; left or Antipode Kin. These four sides need to be consciously maintained for the Gateway to be kept stable and free. A good way of understanding this is to see each of the four sides as corresponding to the human body. Also below is given an Example with its respective Destiny Pattern, where we draw largely from the following pages, which are concerning "TRIBE QUALITIES – Shadow Wisdom: Shadow Transformation: Shadow Declaration: Incense: Colour: Mudra: Meditation: Affirmation: Astrological Correspondence:". Using, especially, the Meditation and Mudra for the Tribe that energises any of the four sides/fields of the Destiny Pattern will help to connect with the meaning, nature and status of that side/field. Meditation upon the Sacred Symbols themselves - UINAL on page 13 - is recommended for deepening your connection with all five Kin of your Destiny Pattern.

GALACTIC GATEWAY or DESTINY KIN - The Heart, the seat of the Essence Self and where Divine Will is experienced.

EXAMPLE: Kin 241 - RED RESONANT DRAGON. This is the focus of study and meditation, etc.

GUIDING POWER or GUIDE KIN - The Crown, where is received spiritual guidance.

Example: RED SKYWALKER ("I am guided by the power of space"). The means by which Guidance is found is through exploring new areas, not getting stranded in backwaters, realising that Angelic Messengers are acting as go-betweens for you in respect of your spiritual purpose. { See also Gateway Command Interpretation }

OCCULT KIN - Groin and Abdominal region, which is the seat of Sexual and Digestive Power, which we are unaware of unless Aroused or Diseased. Similarly, as described by Arguelles, the force of Occult Kin is "Hidden" and manifests in an "Unexpected" way. This area also therefore requires protection.

Example: YELLOW SUN. Unconditional loving is not that obvious but is actually the power which is driving and motivating. A sense of union and wholeness has to be plumbed for, possibly as a result of illness or as ultimately the only way of satisfying or dealing with powerful urges. Using/visualising the actual symbol/glyph will psychically protect.

ANALOG KIN - Right Hand or whatever is the Dominant Side. This refers to that dimension of essential being which comes most easily - but which therefore can be either taken for granted or over-used. Be this as it may, Analog Kin is the field where "Support" is most available.

Example: WHITE MIRROR. Being reflective and courageous in facing the truth and the shadow is a strong suit in aiding both self and others. Being self-obsessed and too earnest could be counterproductive.

ANTIPODE KIN - Left Hand or whatever has come to be regarded/experienced as the Weaker Side. This is therefore usually the dimension of essential being most in need of conscious attention and of "Reconstruction" as Arguelles puts it. It only needs one arm of the Destiny Pattern to go down for the rest to follow, thereby rendering the Galactic Gateway itself unstable and therefore unusable - and in many cases, apparently not there at all!

Example: BLUE MONKEY. Playing by ear and having no attachment to results or outcome is what balances everything out - particularly the over-use of the Analog Kin and the weight of the Galactic Gateway/Destiny Kin itself. In this case making a few funny faces in the Mirror would lighten up the unworthiness, heaviness and loneliness that Red Dragon can feel subject to.

IN ALL CASES, BEINGS OR DAYS WHOSE GALACTIC GATEWAYS ARE THE SAME AS A PART OF THE DESTINY PATTERN WILL ENERGISE/IDENTIFY THAT PART.

Following on from the previous page, your actual Galactic Gateway report will have fourteen more pages which include:

- The Meanings and Correspondences of the twenty Sacred Symbols of the Mayan Sacred Calendar or Tzolkin.
- Uinal – the Sacred Symbols themselves.
- The Mayan Solar Meditation or Chant – A very simple and powerful means of aligning yourself with the power of the Sun and your Higher Self.
- Self-Embodiment – A visceral game or exercise whereby you are physically aligned with your Essence Self or Soul.
- Tzolkin – A graphic of the Mayan Sacred Calendar itself.
